6. Add -es to nouns ending in -o (when they follow a consonant)	tomato → tomatoes potato → potatoes
7. Add -s to nouns ending in -o (when they follow a vowel)	radio → radios video → videos
8. Some nouns have the same singular and plural forms	sheep → sheep fish → fish

## How to Use:

1. **Print and place** the plural rules chart at the centre so students can refer to it while transforming singular nouns into plural forms.
2. Encourage students to follow these rules when converting their picnic shopping list from singular to plural.

# Picnic Story

## The Picnic Adventure

It was a sunny day, and the children were excited to go on a picnic. They packed apples, sandwiches, and cookies into their baskets. The geese were swimming in the pond, and the children played with their toys under the trees. After lunch, they shared their blankets and told stories about the animals they had seen.
