### **How to Use:**

- 1. Print and cut** the Magical List Cards.
- Beginning with a card draw, students will write their list around that theme.

# Commas in Lists Chart

## How to Use Commas in Lists

### Place a Comma After Each Item (Except the Last One):

When writing a list, place a comma after each item, but **not after the last one**.

#### Example:

- “My favourite foods are pizza, burgers, spaghetti, and ice cream.”
- “In my backpack, I have pencils, notebooks, markers, and an eraser.”

### Using **And** or **Or** Before the Last Item:

Before the final item in your list, use the words **and** or **or** without a comma.

#### Example:

- “I want to bring cookies, juice, **and** sandwiches to the picnic.”
- “You can choose between apples, bananas, **or** oranges.”

### Check for Proper Comma Placement:

Make sure you’ve placed commas after each item in the list, except for the last item where you use **and** or **or**.

#### Example:

- Correct: “For the party, we’ll have balloons, cake, music, and games.”
- Incorrect: “For the party, we’ll have balloons, cake, music and games.”

## How to Use:

1. Refer to this chart as you write your lists.
2. Check that you’ve placed commas correctly between items in your list.

# Treasure Chest Clue Cards

## Clue 1:

**"Look where we keep the books full of magic and stories."**

*(Hint: Check near the bookshelf.)*

## Clue 2:

**"Search where we sit to enjoy our snacks and drinks."**

*(Hint: Look near the snack table or lunch area.)*

## Clue 3:

**"The next treasure is hiding where we draw, paint, and create."**

*(Hint: Check near the art supplies.)*

## Clue 4:

**"Check where you keep your backpacks at the end of the day."**

*(Hint: Look near the coat rack or backpack hooks.)*

### **Clue 5:**

**“Find the next magical item where we go to wash our hands.”**

*(Hint: Look near the sink or hand-washing station.)*

### **Clue 6:**

**“The treasure is hidden where we keep the pencils and markers.”**

*(Hint: Look near the pencil box or supply area.)*

### **How to Use:**

- 1. Print and cut** the **Clue Cards**.
- Hide small objects or images related to the students' list themes around the classroom.
- Place the clues near each hidden object, leading the students on a treasure hunt as they practice using commas in lists.
